

My Success Story

UPON RECEIVING AN EXAM FOR (STRONGER) GLASSES, I WAS TOLD I HAD CATARACTS IN BOTH EYES — THE RIGHT EYE CONSIDERABLY WORSE THAN THE LEFT. I DISCUSSED MY PROBLEM W/ MY DOCTOR & ASKED HIM WHO I SHOULD GO TO. HE SAID HE WAS SORRY, 'JUST DIDN'T KNOW' OF ONE TO SUGGEST. WHEN I CAME HOME I OPENED MY HEALTH INS. REFERENCE BOOK & READ THRU THE LIST OF EYE SPECIALISTS. THEN, I SLOWLY READ EACH NAME @ A TIME & WHEN I CAME TO DR. SINGH'S NAME, I SAID: "HE'S THE ONE!" I CALLED MY DOCTOR'S OFFICE (AS INSTRUCTED) & SAID: "HOW'D I DO?" THEY ASKED ME HOW I CAME UP W/ THE EYE DOCTOR & I JUST TOLD THEM MY INTUITION 'KICKED-IN' & I KNEW HE WAS THE RIGHT ONE! DR. SINGH LENT ME THE CONFIDENCE TO GO THRU W/ SUCH AN IMPORTANT OPERATION. I CAN SEE SO VERY GOOD NOW, & AM EXTREMELY GRATEFUL.
