

# My Success Story

June 29-2001  
To: Dr. Singh and Staff -

Thank you Dr. Singh for  
taking such good care of my eyes.

After the removal of the  
cataract from my right eye -  
I see like an eagle now. In

a few weeks my left eye  
will have the same surgery.

I'm confident the outcome  
will be just as successful.

I cannot stress enough  
of how bright and beautiful  
everything is now. Talk about  
miracles I've just received  
one.

Thank you again Dr. Singh and  
I cannot forget to mention the  
wonderful staff, who are patient  
efficient and kind to us "oldies"  
Gratefully yours, Cecilia Ziemba
